

BOOK CATALOG 2023

Clemens & Blair is a small but rapidly-growing publisher, specializing in challenging, controversial, and hard-to-find works. We focus on titles ignored or overlooked by other publishers. Our main topics are World War Two, National Socialist Germany, Adolf Hitler, the Holocaust, and the Jewish Question generally.

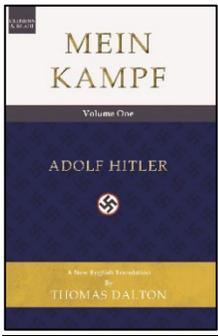

Our current titles are as follows. Prices are only guidelines, because we cannot control the pricing of individual sellers. Web prices may or may not include shipping, so we recommend you check that before ordering.

~~~~~ **The “Mein Kampf” Series** ~~~~~

By Adolf Hitler

(Thomas Dalton, trans. and ed.)

***Mein Kampf***  
Volume One

**Description:** New English translation of this classic work by Adolf Hitler, in highly readable American English, complete and unedited. Includes numbered section headings, helpful footnotes, index, and bibliography. *Mein Kampf* has not appeared in a new English version since the 1940s, and all existing editions are poorly translated. This new, 2022 edition will become the standard translation.

## ***Pan-Judah! Political Cartoons of Der Stürmer, 1925-1945***

Fips & Robert Penman

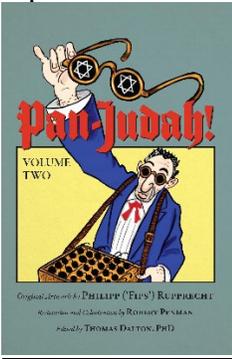

**Description:** For 20 years, one of Hitler’s early companions, Julius Streicher, published a weekly newspaper called *Der Stürmer* (“the Attacker”). The cover of each issue featured a dramatic and striking anti-Jewish cartoon by a local artist named Fips. Long forgotten, these cartoons were recently rediscovered and fully restored by a talented digital artist, Robert Penman. Here, we have collected 200 of the best and most compelling images, in stunning full color. In historical context, they cast a whole new light on NS Germany.

**2021, 280 pages.**

**Three formats, full color:** 6”x9” paperback: \$37.00 (ISBN: 978-1737-4461-25)

## ***Pan-Judah! Volume Two***

Fips & Robert Penman

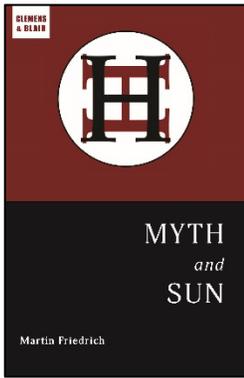

**Description:** They’re back! Those cartoons Jews have returned, better than ever. Here, in Volume Two, the artist Penman has compiled another 200 fabulous Fips cartoons and recreated them in stunning color. Cartoons are organized thematically: “Blood libel,” “Wire-pullers,” “Death,” “Media,” and so on. Also includes around 30 non-Fips cartoons, making for an excellent contrast. Entertaining and educational.

**2022, 268 pages.**

**Two formats, full color:** 6”x9” paperback: \$37.00 (ISBN: 979-8986-7250-24)

## ***Myth and Sun***

Martin Friedrich

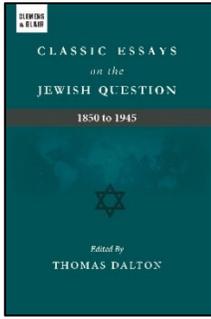

**Description:** Every essay in this collection honors *spiritual being*; and each intends to transcend conventional scholarship. Scholarship has its place, but too often it becomes subjectivity in fancy dress. A testament to our ancestors, descendants, and the Divine Order that binds them, this work details our tradition’s cyclical rise and fall. And though we have fallen into a darkening night, we anticipate the promise of a coming revelation. *Hail the lightning, hail the sun! Hail the dawn before it comes!*

Suggested retail: \$23.00  
2022; paperback; 320 pages  
ISBN: 979-8986-7250-00

## *The Jewish Question: Yesterday and Today*

### *Classic Essays on the Jewish Question: 1850 to 1945*

Thomas Dalton, ed.

**Description:** Most people today are vaguely aware of “issues” with Jews in contemporary society. Few, though, have any deeper awareness of the pervasive and detrimental role that they play throughout the West. And fewer still understand the history and the context of what has long been known as “the Jewish Question”—namely: How should non-Jews deal with this most pernicious minority in their midst? Here are 16 classic essays on the topic, every one relevant for today. *“Know the history.”*

### *On the Jews and Their Lies*

Martin Luther

**Description:** As the founder of the Lutheran church, Martin Luther (1483-1546) struggled against many enemies—none more pernicious than the Jews. They not only repudiated Christian theology, but their arrogance, usury, and malevolence posed real and enduring threats to society. In this classic work of 1543, Luther lays out his case against the Jews in the strongest of terms. Seize their wealth, destroy the synagogues, drive them out—this was his message. A shocking and compelling read. Complete and unedited.

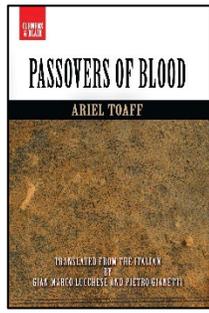

Suggested retail: \$20.00

2020; paperback; 250 pages

ISBN: 978-1732-3532-13

### *Passovers of Blood*

Ariel Toaff

**Description:** For centuries, Jews have been accused of something called “blood libel” or “ritual murder”: the killing of non-Jews, often children, for their blood. This was long dismissed as anti-Semitic conspiracy theory, until the early 2000s, when Israeli scholar Ariel Toaff conducted extensive research into medieval trials; he concluded, surprisingly, that there was a factual basis for the ritual Jewish use of human blood. There are vast implications here for us all. *Translation of the original 2007 edition.*

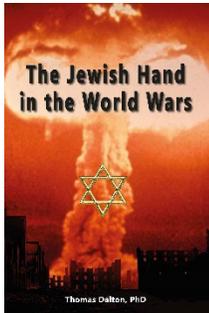

Suggested retail: \$23.00

2020; paperback; 350 pages

ISBN: 978-1734-8042-18

### *The Jewish Hand in the World Wars*

Thomas Dalton

**Description:** Jews have long played a disproportionate role in war, social strife, and revolution. Why is this? This book is the first to elaborate the context in which Jews came to be a driving force behind both World Wars. An eye-opening and well-documented book, sure to upend our traditional view of history.

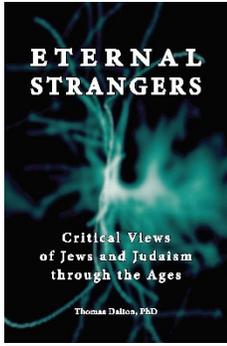

Suggested retail: \$20.00

2019; paperback; 184 pages

ISBN: 978-1591-4804-19

## *Eternal Strangers: Critical Views of Jews and Judaism through the Ages*

Thomas Dalton

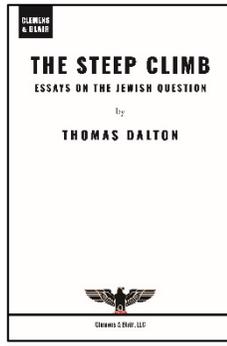

**Description:** Jews have been the perennially hated people. Wherever they encountered others, they made enemies. Now, for the first time, this long story has been fully documented. Read the opinions of many of the greatest minds in history, and discover why the Jews pose an unsolvable problem for society. Well-researched and fully documented, using only high-quality academic sources. A truly astonishing story.

Suggested retail: \$19.00  
2020; paperback; 172 pages  
ISBN: 978-1591-4823-07

## *The Steep Climb: Essays on the Jewish Question*

Thomas Dalton

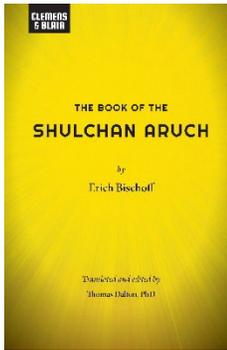

**Description:** For at least a century, Europe and the United States have been effectively held captive by a single, wealthy, powerful lobby: the Jewish Lobby. Never has that power been greater than it is today. Thus, we in the West are confronted with a most urgent “Jewish Question”: How should we respond to the dominating control by a small, self-interested, and malicious minority? *The Steep Climb* contains 35 essays on this very subject, by noted writer and social critic Thomas Dalton, PhD.

“An excellent analysis of the current state of affairs.” – Fredrick Toben

2023; paperback; 426 pages  
ISBN: 978-1591-4823-07

## *The Book of the Shulchan Aruch*

Erich Bischoff

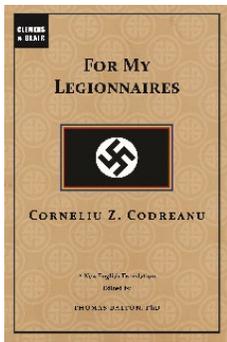

**Description:** Perhaps no book is less known, yet more important, than the *Shulchan Aruch*. As a condensed version of the Talmud, it encapsulates the essence of Judaism. Most of the *Shulchan Aruch* deals with inter-Jewish laws, but a fair number of passages discuss non-Jews—the Gentiles, or in less polite terms, the ‘goyim.’ As it happens, the laws of Judaism hold Gentiles in very low regard; they can be cheated, lied to, abused, even killed, if it serves Jewish interests. Jewish supremacy reigns throughout the Talmud and the *Shulchan Aruch*. German scholar Erich Bischoff has performed an invaluable service, in this one-of-a-kind analysis. (Original publication in 1942.)

## *For My Legionnaires*

Corneliu Z. Codreanu

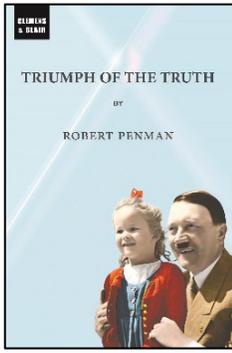

**Description:** Codreanu (1899–1938) is today a Romanian national hero but he remains virtually unknown outside his native country. From his early 20s, he almost single-handedly created and led a new national movement, one that confronted and exposed a corrupt Romanian government that had sold out to Jewish interests. This book is Codreanu’s autobiography. His life is a true lesson—not only in resilience and courage, but also regarding the perils of a malicious and self-interested Jewish minority. We have much to learn from this remarkable young man.

2023; paperback; 312 pages  
ISBN: 979-8986-7250-62

## ***Triumph of the Truth***

Robert Penman

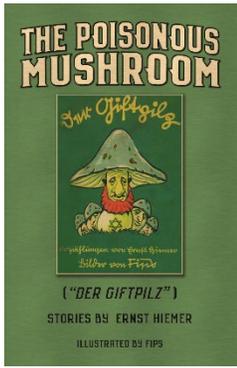

**Description:** World War Two ended nearly 80 years ago. So why do we still hear so much about it? Hitler, the ‘Nazis,’ the Holocaust—why are these constantly invoked today by our media? There are good reasons for this, and they explain much about how the world works today. Many suspect that ‘something is fishy,’ but they simply don’t know where to start. *Here is the place to start.* A clear, simple, readable text, lavished with full-color graphics, memes, and cartoons—perfect for all those who just want the basic facts. Suffice to say that the public has been sorely misled, and even deceived, by the powers that be. Robert Penman offers an outline of the world that you will not find elsewhere.

Suggested retail: \$20.00  
2023; full-color paperback; 76 pages  
ISBN: 979-8987-7263-03

## **Youth Series**

## ***The Poisonous Mushroom ('Der Giftpilz')***

Ernst Hiemer

**Description:** Among the most controversial of Nazi publications was this children’s book, published in 1938 under the title *Der Giftpilz*—or, *The Poisonous Mushroom*. Here, the Jewish threat to German society is portrayed in the simplest and most elemental terms, aiming at children ages 8 to 14. The author, Ernst Hiemer, put together 17 short vignettes or morality tales intended to warn children of the dangers posed by Jews, who are depicted as conniving, thieving, treacherous liars. Full color artwork by noted artist Fips. Full original text.

Suggested retail: \$16.00  
2020; paperback; 72 pages  
ISBN: 978-1734-8042-25

## ***German Youth, Your Leader!***

NSDAP Ministry of Education

**Description:** Here we have something exceptionally rare: an authentic National Socialist book for German youth, written in 1933, and translated now into English for the first time. The book tells the story of Adolf Hitler, from childhood through his rise to power. It is accompanied by several dramatic, full-color illustrations by the famed artist Fips, as brought to life, in vibrant color, by Robert Penman. The book is written for 10- to 15-year-olds, but the story is lively and entertaining for all. A rare find.

Suggested retail: \$18.00  
2023; full-color paperback; 62 pages
